31 Planning Notices

CAROL OLSON R.I.P.

Her husband Sean, and children Emma, James and Laura, and their families would like to thank all the many people in Shankill from all the organisations Carol had been involved with over the years who attended her funeral Mass in St. Anne's Church, sent Mass cards and messages of sympathy.

We would especially like to thank the Staff of Beechfield Manor Nursing Home and Fr. Michael O'Dwyer for their care to Carol.

We trust that you will accept this notice as a token of our sincere thanks.

SHANKILL SUPPORT NETWORK FOR SEPARATED AND DIVORCED PEOPLE

A support network for separated and divorced people has been set up and is open to persons of any faith denomination, or none.

All are welcome to contact us by texting 087-364-6067 or by emailing us at ***listeningear14@gmail.com***
A supportive, compassionate person in the network will respond and together you can discuss how the network can be of help to you...either through one-to-one contact or by welcoming you into our monthly group meetings which are held on the 2nd Tuesday of every month, from 8.00pm to 9.30pm.

All communications will be guaranteed complete confidentiality and everyone will be warmly welcomed.

SHANKILL OLD FOLKS ASSOCIATION

We are looking for volunteers to help in our Daycare Centre on Monday, Wednesday or Friday mornings. If you have a little spare time, please phone Jacinta O'Sullivan on (01) 282 6364 for more information.

SHANKILL TIDY TOWNS

Shankill Tidy Towns has been working recently on the Dublin Mountains Way between Hilltop and Lordello Road and would love to hear from anyone who remembers this lane in olden days, such as what it was called and what it was used for. Old photos would be most welcome, particularly milk collection or other shots of everyday life at the time.

DANCE THEATRE OF IRELAND

Well-Dance for Seniors classes are starting up again at Shankill Tennis Club.

Dance Theatre of Ireland has been awarded a grant from the Dún Laoghaire-Rathdown Co. Co. Age Friendly Initiative to offer modern dance classes for older adults (ages 50+). Well Dance has gotten over 900 participants dancing again and has received a National Age Friendly Recognition and Achievement award. ***YOU can join!***

Classes take place at the Shankill Tennis Club, Wednesdays 1:45-3pm., from May 1st and through June.

These classes are immensely fun; you learn short routines and are also given opportunities in each class to dance in your own way. Creativity, expression, connection, fun and much more than just exercise, all set to great music: Stevie Wonder, Elvis, Frank Sinatra and much more. And you can sit down at any time too.

Dance Theatre of Ireland also conduct classes for those living with Dementia and Parkinson and their Carers, (on Wed and Fridays) as well as Well-Dance for Senior classes at the Dance Theatre of Ireland studio in Dun Laoghaire at Bloomfields shopping Centre, next to the IMC Cinema (every Tuesday and Wednesday, 11am-12.30pm). If you have any questions, just ring 01 280 3455 or email us at info@dancetheatreireland.com. ***www.dancetheatreireland.com***

SHANKILL/SHANKILL PROJECT

In October 2019 it will be 25 years since the Shankill/Shankill Project was first launched at a meeting in Belfast. The project was the brainchild of Charlie Martin from Shankill, Co Dublin.

The aim was to bring together people from the North and South of Ireland, regardless of their religious or political persuasions, to engage in social activities. With the help of Co-Operation North (now Co-Operation Ireland), Charlie initially met with community workers from the Greater Shankill area of Belfast. A need to work with young people was soon identified.

The first exchange took place between two local football clubs (one North and one South) and involved under 11 boys' teams and girls teams from ages 12 to 21. This interaction was a great success and the Shankill/Shankill Project took off from there. At its height the project catered for over 500 children in schools and youth clubs, north and south.

WERE YOU OR A MEMBER OF YOUR FAMILY INVOLVED IN THE SHANKILL/SHANKILL PROJECT BETWEEN 1994 AND 2001?

If you or any of your family participated in the project in any way and are interested in taking part in an event being planned to mark this special anniversary, please contact the following email address: ***shankillproject@gmail.com***

Thank You

I would like to extend my sincere thanks to the people of Shankill for the support and kindness shown to me since I replaced Deputy Maria Bailey T.D. on DunLaoghaire-Rathdown County Council three years ago. I hope you are satisfied with my work to date. I will be seeking re-election to the council on 24th May. I am a full-time public representative. I would appreciate your Number 1 Vote on May 24th. If elected I will represent all the people of Shankill to the best of my ability.

BUS CONNECTS

It was very heartening to see such a large crowd attend my public meeting in Woodbrook College in early April. I had a number of questions and motions on the agendas of Area Committee meetings in March & April. The response below is indicative of the replies I received.

Report: On 26th February 2019, the NTA launched Phase 3 of the public Consultation on their 16 Core Bus Corridors. This phase includes:

(a) Corridor 13 from Bray to City Centre,

(b) Corridor 14 UCD Ballsbridge to City Centre, and

(c) Corridor 15 Blackrock to Merrion

The closing date for submissions has been extended to 31th May 2019. It is open to any individual, group, or organisation to make submissions. The design of the Corridors is at concept stage (i.e. an earlier stage than the preliminary designs that the Council would normally bring to public consultation). It is likely that the Corridors will go through a further round of public consultation with preliminary designs before the NTA applies for permission to the Strategic Infrastructure Division (SID) of An Bord Pleanala. At that point, the Council Executive and the Council would be expected to make more detailed submissions. The NTA's public consultation drawings are not detailed. It appears the NTA proposes to widen the bridge to provide a northbound bus lane and possibly to provide wider footpaths to replace the existing sub-standard footpaths. It also appears that the NTA proposes to remove most of the on-street car-parking in Shankill village to provide northbound and southbound bus lanes. The Council Executive will be making a submission to the NTA. As the design is at concept stage, the submission will deal primarily with the principles of the design and with identifying the issues than need to be addressed in the detailed design. The submission will focus on:

(a) the Council's land-use and transport planning policies

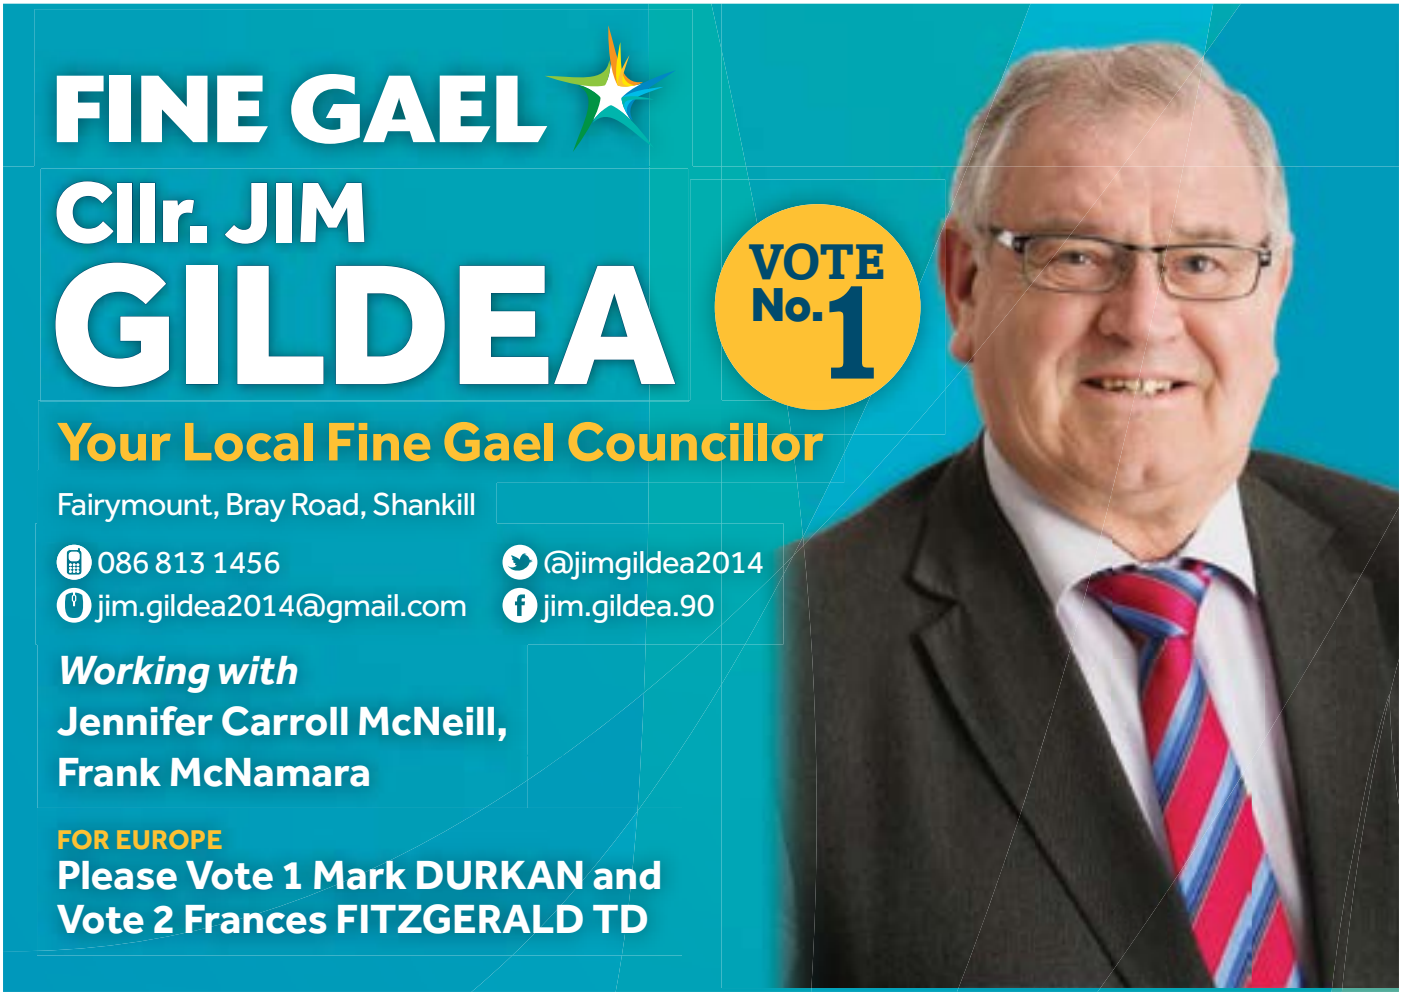
(b) the level of priority for buses, bicycles, and pedestrians

(c) the amount of property acquisition

(d) the loss of on-street parking

(e) the impact on the public realm, including the impact on street trees

(f) various other issues Councillors and members of the public should also make their own submissions.



Irish Citizenship through Birth or Descent - PART ONE

In the light of **Brexit**, in whatever form it takes, the information below may be useful.

Irish citizenship through birth or descent is a complex area. This article attempts to explain the law regarding Irish citizenship as clearly as possible. It includes information regarding children born to foreign nationals, foreign births and registration procedures. **If you were born on the island of Ireland before 1 January 2005, you are entitled to be an Irish citizen. If you were born in Ireland after 1 January 2005 and your parent(s) were Irish citizens, then you are also an Irish citizen.** However, in certain circumstances some people born in Ireland have to claim Irish citizenship. A child born in the island of Ireland on or after 1 January 2005 is entitled to Irish citizenship if they have a British parent or a parent who is entitled to live in Northern Ireland or the Irish State without restriction on their residency. A child born in Ireland to a parent who has been granted **refugee status** is also automatically entitled to Irish citizenship. Under the **Irish Nationality and Citizenship Act 2004**, children born of other foreign national parents in the island of Ireland on or after 1 January 2005 are **not** automatically entitled to Irish citizenship. These parents must prove that they have a **genuine** link to Ireland. This will be evidenced by their having three out of the previous four years reckonable residence in the island of Ireland immediately before the birth of the child. On proof of a genuine link to Ireland their child will be entitled to Irish citizenship and they can apply for an Irish passport for their child. If either of your parents was an Irish citizen who was born in Ireland, then you are automatically an Irish citizen, irrespective of your place of birth. If you are an Irish citizen, you can apply for an Irish passport. You do not need an Irish passport in order to be an Irish citizen but having an Irish passport is evidence that you are an Irish citizen. If you were born outside Ireland to an Irish citizen who was born outside Ireland, then you are entitled to become an Irish citizen. If your parent derived Irish citizenship in another manner, for example, through marriage, adoption or naturalisation, and was an Irish citizen at the time of your birth, you can become an Irish citizen. If the parent through whom you derive Irish citizenship was deceased at the time of your birth, but would have been an Irish citizen if alive at that time, you are also an Irish citizen. Also, you derive citizenship through an Irish parent whether or not your parents were married to each other at the time of your birth.

Claiming Irish citizenship: Before you can claim Irish citizenship, you must have your birth registered in the Foreign Births Register – see below. If you are entitled to register, your Irish citizenship is effective from the date of registration – not from the date when you were born.
If one of your grandparents is an Irish citizen who was born in Ireland, but neither of your parents was born in Ireland, you may become an Irish citizen. You will need to have your birth registered in the Foreign Births Register – see below. Unless at least one parent or an Irish-born grandparent was an Irish citizen at the time of your birth, you cannot claim Irish citizenship on the basis of extended previous ancestry (that is, ancestors other than your parents or grandparents). In addition, you cannot claim Irish citizenship on the basis that a relation such as a cousin, aunt or uncle was an Irish citizen if none of your parents or grandparents was an Irish citizen at the time of your birth. Shankill Bowling Club Notes

by Paddy Hughes, PRO

Shankill Bowling Club is for players of Lawn (outdoor) bowls and also of Indoor (short mat) bowls. The following extracts are taken from a booklet issued by the Bowling League of Ireland, B.L.I.

"Bowls is a game which provides healthy exercise, relaxation and mental stimulation through competition. Above all it is a social game and the friendships formed on the bowling green will last for many years."

Bowls is uniquely a game for all ages enjoyed by the young, middle aged and those of advanced years. The game requires a natural coordinated movement. It is a healthy exercise, involving walking, bending and rolling a bowl; The game is inexpensive to play.

My own experience is that I chanced to meet former school mates, and also old friends I never really expected to see again, when bowling against Clubs such as Blackrock, Dun Laoghaire, Clontarf and Crumlin - just to name a few. I am aware that some of our Lady members had the same happy experiences.

I wish to point out that we cater for women and men who can play competitively or not as they choose.

INDOOR BOWLING

The Indoor Tournament held in the Clayton Hotel in Wexford over 3 days proved a successful one for some of our members. Not only did a team of four, which included Audrey Murphy (no. 3) and Maura Hughes (Skip) reach the final stages, they went all the way and won the Final. They each received hotel vouchers and wonderful trophies. The prizes were negotiated by Fraser Pelley. Well Done!
www.shankillbowlingclub.com

New Members NOW WANTED!

Young people under the age of 34 are more likely to die by suicide than any other cause of death. More and more of our friends and family are suffering from anxiety. Too many people in Shankill feel lonely and depressed.

I believe that meaningful relationships and a sense of community are the best ways to reduce depression. Throughout my life I have been an active member of social groups and sports clubs and I'm very grateful for all the friendships I've formed.

I'm running to help create a strong, happy community and life experience. The local charity, sports, social, and volunteering groups here in Shankill deserve greater promotion! Belonging to a group creates friendships and meaningful relationships, it's the best way to tackle loneliness and depression. Belonging to a local group makes us feel valued and helps us fulfil positive goals. We are fortunate to have so many charity, social and sports groups in Shankill. We should improve their funding and facilities. We should increase awareness of how people can join.

This is why I decided to run in the local elections. I'm asking to be of service. Please vote Frank McNamara no. 1!

Sincerely
Frank McNamara

O'Donnell's Pharmacy Rebrands as O'Donnell's totalhealth Pharmacy

O'Donnell's Pharmacy was established in Shankill by Jacqueline O'Donnell over 21 years ago, and serves the local community. The Pharmacy employs a team of ten people. The team works closely with the local GPs in the surrounding area. In January 2019, O'Donnell's Pharmacy underwent a significant upgrade and will now be branded **O'Donnell's totalhealh Pharmacy.**

Jacqueline commented

"My staff and I are very excited to be joining the totalhealth Pharmacy team to offer a greater range of services, choice of products and also great value. At O'Donnell's Pharmacy and now O'Donnell's totalhealth Pharmacy, we pride ourselves in our quality and friendly service and we try our best always to meet our customers' needs."

Jacqueline continued:

In recent years, the pharmacy business has become much more competitive. It is no longer about dispensing medicines only. Pharmacists are required to provide a full community health solution working closely with GPs and other healthcare professionals in the community. With totalhealth, we can now effectively compete in the market and deliver an excellent specialised community health service in the process.

In addition to regular pharmacy services, **O'Donnell's totalhealth Pharmacy** will provide the following services to all customers: in-store consultations for blood pressure and diabetes, 24 hr blood pressure monitoring, blister packing services, Lipotrim Weight Management Programme, medication reviews, advance prescription preparation and email/phone prescription orders.

O'Donnell's totalhealth Pharmacy in Shankill is open from 9.00pm – 7.00pm, Monday – Friday, 9.00am – 6.00pm on Saturdays and 11.00am – 1.00pm on Sundays.
Telephone: 01 2825411/ 01 2820866

Shankill GAA Club

YOUR COMMUNITY - - - YOUR GAA CLUB

St Patrick's Day Parade

We had a great turnout of players and parents for the St Patrick's Day parade in Bray. As our club marched along, we received brilliant encouragement from the onlookers in the town. St Patrick obviously "turned the stone" and the weather was very kind for the parade. We had a brilliant day out with lots of fun and are looking forward to next year.

Academy Gang Put Out on Grass

Our Academy kids returned to the grass of Stonebridge Road after spending the winter months in St Laurence College. Many thanks to the staff at the college for all their help. The Academy which caters for boys and girls from 4 to 6 years of age is on every Saturday at 10.00am in Stonebridge Road. The cost is €2 per child and simply pay on the day, with no annual subscription. So why not give the Academy a try.

National Tree Week

The heavy mob from the club were photographed by Liza Mitton, out doing their bit for the community and the environment by planting trees near our pitch. The event was organised by Shankill Tidy Towns, Crann and DLR and we hope to see the tree grow and mature over the years.

Beware! Ladies in Black

Congratulations to Tess Blunden, Mary Fitzachary and Mya Davy who completed Level 1 of the refereeing course. They are now competent to take charge of our Go-Games matches and also Hurling, Football and Camogie games up to the under 11 grades. Well done girls. Note, players beware, there is a Lady in black coming to a match near YOU.

Seachtain Na Gaeilge

Comhghairdeas leis na buaiteoirí comórtais uilig Bruce Jarmuziewivz, Aoibheann Moriarty, Ruby Lewis agus Sophie Wall ó Scoil Mhuire agus Ela Robinson, Aiden Dahiya, Lucy Hanly agus Alex Brennan ó Scoil Naomh Áine. Ba phost deacair, dúshlánach é na buaiteoirí a roghnú as níos mó ná 500 iontrálacha agus caighdeán chomh hard sin le chuile cheann. Míle buíochas daoibh uile as páirt a ghlacadh – buaiteoirí sibh ar fad!

Golf Classic

Our annual golf day out sponsored by The John Brady Group will be held in Delgany Golf Club on Friday 14th June. The format is a Champaign Scramble with a Shotgun start at 2.00pm but morning tee times are also available. The cost is €300 for a team of 4 players which includes a meal in Brady's and an evening of craic agus ceol. Top prizes for 1st, 2nd & 3rd also Nearest the Pin & Longest Drive. To book a tee time contact us at shankillgaagolfclassic@gmail.com or any club member.

CHASE the ACE

At the time of going to press the jackpot stands at €2250. Tickets are €2 each or 3 for €5 and are available in Brady's or from club members.

A message from Mary Mitchell O'Connor TD

Dear Constituent(s),

Proposed Core Bus Corridor Through Shankill

I attended a public meeting organised by Cllr. Jim Gildea about the proposed #13 Core Bus Corridor from Bray to Shankill. The room was packed to capacity and every attendee had concerns about the proposals for Shankill Village and the roads leading in and out of the village.

A sizeable number of the properties that would be directly affected by Compulsory Purchase Order or by traffic moving closer to their doors are in the Shankill area. This would involve the felling of a large number of trees, widening of roads and paths through Shankill Village, and significantly widening the historic rail bridge that has been in existence since the mid-1800s. These changes would seriously detract from the village feel that is part of the charm of Shankill.

Like residents and business owners, I am very concerned about this proposal and understand completely the fears of residents about the impact this route would have on Shankill, and the environmental damage that would be inevitable. Shankill has a very strong Green Ethos, with groups like Crann – Trees for All, SAGE and Shankill Tidy Towns doing stalwart work to plant trees and to raise awareness of environmental issues as well as pride in the community of Shankill.

As I said on the night, I will be making a very strongly worded submission to the NTA on the negative implications that the proposed route would have for Shankill and nearby areas. I heard, and noted, the issues raised at Cllr. Gildea's meeting. These, along with others I have received by email to date, and others to come, will form the heart of my submission. If you would like to raise any particular issued about the proposed route, please let me know.

It is important to remember that this route is a proposal at this stage, and I am hopeful that changes can be made on the back of a large volume of submissions from residents and businesses as well as community groups, clubs and other organisations. I will work with Cllr. Gildea, and Brendan Heneghan who shared his in-depth knowledge of the proposals on the night, to ensure that the voices of the people of Shankill are heard on this issue.

The public consultation runs until 31 May so there is still time to have your say.

You can make a submission by emailing ***cbc@busconnects.ie***, by post to Core Bus Corridor Project, National Transport Authority, Dún Scéine, Harcourt Lane, Dublin 2 or by filling in the online form on ***https://www.busconnects.ie/initiatives/core-bus-corridors-project-public-consultation-submission-form/***

National Tree Week 2019

As part of National Tree week, I was delighted to be invited to join Shankill Tidy Towns for their annual tree planting ceremony in Stonebridge Road, kindly supported by DLR Parks Dept and Crann - Trees for All. Despite inclement weather, there was a large turnout from Churches, community groups, businesses, the Gardaí and DLR County Council. "Trees for All" is an inspirational initiative that I hope will be picked up by other towns and villages across the Country, planting one tree per resident to "grow your own oxygen".

I also attended tree planting ceremonies at Johnstown Boys' National School, Holly Park Girls' National School and Cabinteely Community School, as well as the tree planting by The Harold School as part of the opening of the new Hudson Park in Glasthule. Thanks to the National Tree Council and DLR for providing saplings for these events.

I work hard to represent the people of Shankill and the rest of the constituency. If I can be of any assistance on any national or local issue, please contact me at ***mary.mitchelloconnor@oir.ie*** or call my constituency office on 01-8892199.

Kind regards,

Mary Mitchell O' Connor TD
Minister of State for Higher Education

March 15th greatly exceeded all expectations when over 10,000 school children and a few adults marched from St. Stephen's Green to the Dail demanding action on Climate Change. This was part of a day of action all over the Country and around the world where some millions of children demonstrated to demand action on Climate Change since it is their lives and wellbeing that are at stake if we do nothing. The political world is slowly beginning to understand that they must take serious action and not keep putting off decisions, whatever the commercial pressures. Our own Government is planning to publish its Climate Action Plan shortly, indeed it should be available by the time this issue of SCAN is published. We must hope that it is a serious document and not another example of putting off difficult decisions.

SAGE, along with the other Sustainable Energy Communities around the Country, has been finding that the 30% grant for improving the BER is too small, making the payback periods too long to encourage people to insulate and upgrade their houses. This situation has been made greatly worse by a recent decision that the work done to upgrade a house must bring it up to B2 standard. In effect this means that the spend may well need to be €15,000 plus in many cases, which is clearly prohibitive for most people as a lump sum and it also has the disastrous effect of preventing incremental improvements over a number of years.

A Master's student in Trinity is looking at the potential for setting up a Community Generation Scheme in Shankill. The aim would be to find people who wished to invest in the scheme which would install electricity generation panels on roofs, the investors would purchase their electricity from the scheme and also receive a dividend based on the sale of the excess electricity. Such schemes are running quite widely in other Countries. To make the scheme viable the Government needs to mandate the ESB to establish the necessary feed in points to the grid.

We apologise that it was necessary to postpone the talk by Lorna Gold in order to make way for the very well attended meeting concerning the proposed Bus Corridor through Shankill. Lorna will now be speaking on Tuesday 14th May in St. Anne's Resource Centre. Lorna has to a great extent been responsible for the rising awareness of Climate Change in Ireland. This is a talk not to be missed. Feedback is that one in ten questions posed to politicians on the door steps now relate to Climate Change; a year ago that figure was zero.

In connection with the Bus Corridor SAGE will be making a submission to BusConnect taking the view that the proposals, especially when tied back to the National Transport Plan, do not in any way address in a meaningful way the changes which we must make as a Country if we are to meet our Climate Change obligations and not incur fines which could soon be running at €500m p.a. if we fail. The fines represent absolutely dead money which could be spent on schools or the health service. We need to make this clear to our representatives when they come looking for our votes towards the end of the month.

SAGE has been represented at the Climate Justice Demonstration each Friday at 1.00pm outside the Dail, anyone is welcome to join in.

We suggest that some of the following would be useful questions to ask any aspiring politicians that you meet before the elections in May.

Nothing will be done unless the politicians realise that we require action from them. This needs to become the number one issue that they hear on the doorsteps.

- Are you aware that Ireland will be paying fines of up to €500m per year from 2020 if we do not reach our Climate Change targets?
- What do you see as the role of DLRCoCo/ European Union in promoting Climate action?
- What will you as a Councillor do to tackle Climate Change locally?
- Do you think it is effective to support Community Action with regard to Climate Change? If so, how should this be done?
- What will your party do to improve Ireland's record in policy making for Climate Change?
- Do you think Ireland can and/or should try and be a leader in response to Climate Change?
- What general areas of policy could be most effective at producing real change in Ireland's Carbon Footprint?
- What approaches would your Party plan to use to sensitise the population to the extent of changes such policies would require?

community games
endless possibilities

Shankill competitors have been busy in the last month with lots of success at Dublin county finals. First up was handwriting where Shankill were well represented. We had lots of medal winners with Peter Lee and Donal Kennedy both winning gold medals and will go on to represent Dublin at the National Finals in Limerick.

Next up was Art. The artistic talent in Shankill and Dublin is outstanding and we are very proud of our three artists Mairead Kennedy, Fiona Scally and Aaron Elliot who will compete as Dublin champions in the National Finals in Limerick.

Joining the artists and hand-writers will be three cross country runners Roisin Murray, Con McCann and Mathew Daly. The Talent competition will take place in May so watch this space for some more success.

Athletics will take place the 28th April and report will follow in the June issue and all our GAA players will also be out in action during May so good luck to all.

ASK the Expert

FINANCE CORNER

Question: "I would like to put a plan in place to enable me to manage my finances better now and for the future what should I do."

Plenty of us will have made a new year resolution to get a better handle on our finances in 2019 and like other resolutions this one has probably already been overlooked! But it is important to remember that decisions about our financial futures are among the most important we will ever make.

Everyone has different priorities when it comes to deciding how they want their money to work better for them:

- Do you want to ensure that you invest enough into a pension now so that you will be financially secure when you retire?
- Would you like to save for your child's education and want to know the best way to do this?
- Perhaps you would like the peace of mind that comes with insuring your income should the unexpected happen?

Whatever your financial goals might be, a good place to start is to get advice from a professional. Research has shown that those who seek professional advice are better off financially and they also feel more confident about their future.

By cutting through the maze of products and the complexity that is commonly associated with most financial products a broker can give their clients valuable, practical support. A financial broker will be able to provide practical advice tailored to your individual circumstances and will be able to recommend the best options and products for you. The numbers show how much better off those who get advice are than those that don't.

A survey* of over 1,000 Irish adults showed that those who have used a Financial Broker:

- Have over double the savings and investments than those who don't.
- Are more than twice as likely to have a pension.
- Are more financially protected as result of holding more financial products.
- Feel more financially confident and also feel more confident about their financial future.

However, the value of professional financial advice and its effects goes far beyond this. We all want to be confident when making decisions about our finances and we want to have an adviser who understands our personal circumstances. Research has shown that those who engage with an adviser at least once a year are by far the most financially confident group. Quality financial advice has the potential to make a real difference to people.
Shankill Financial Services are financial brokers that have a local, professional financial planning business based in Station House, Shankill. The business is regulated by the Central Bank of Ireland and conforms to the Consumer Protection Code and holds professional indemnity cover for the protection of their clients.

Shankill Classical Music Club

Rarities

Jim Bruce's programme for the April meeting had a number of rarities, starting with Mozart's *Eine kleine Nachtmusik*. Rare? Yes, indeed! Jim had checked back over the listings from 15 years of programmes and discovered that Mozart's most popular orchestral piece had never been played. And if you're not sure if you know it, you do! To be heard – at least the first movement – mangled by (classical-style) street busker groups and as background music at events everywhere. We had all four movements (as they say on the easy-listening radio stations when they bust their normal 5 minute max).

And similarly with Vivaldi's motet *Nulla in mundo pax sincera*, for solo soprano and small ensemble. Again, the first movement is well known, but the remaining three movements are not heard so often. Emma Kirkby did the honours here, in a legendary recording from the late 1970s.

A genuine rarity was the only chamber music piece still to hand from Gustav Mahler (b.1860) a single movement of a piano quartet written as a student exercise in his teenage years before he turned to the song cycles and massive symphonies for which he is now known. Conventionally mid-late 19th century romantic in style, it had the listeners scratching their heads to identify influences.

Some of the second half was from the 20th century proper. The versatile (and volatile!) English composer Malcolm Arnold, a trumpeter by training, wrote many works for brass instruments in solo and ensemble formation, and we heard his *Little Suite No 1,* played by one of the most famous North of England bands, the Grimethorpe Colliery.

The recent death of the pianist/composer/conductor André Previn was noted in a performance of Poulenc's piano piece *Mélancolie*, composed in 1940, romantic music laced with Poulenc's characteristic sly wit.

Jim warned us that the big tune in Josef Suk's orchestral piece *Fantastic Scherzo* would stick in our ears for the rest of the day. He was right!

To end, familiar Wagner in an unfamiliar guise: two of the big tunes from *Lohengrin,* the *Wedding March* and the main tune from the prelude to Act 3, strung together in a virtuoso piano arrangement by Franz Liszt. There was time for an encore, and Jim serendipitously came up with one of the best-known arias from *Lohengrin,* in a stylish performance by the great Swedish tenor Nicolai Gedda.

The May 2019 meeting will be on the usual first Wednesday evening, the 1st, at the usual time and venue: 7.45 to 10.00 (with tea and biscuits at the interval), at the Old Folks' Association Centre, Lower Road, Shankill. New members and visitors are always welcome, with a cover charge on the night of only two euro.

Put the date in your diary now!

For more details of the club please see our website ***http://www.shankillclassical.org*** *or ring or text John O'Hagan (087-210 9175).*

SHANKILL FC

Part of our community

Shankill FC Clubhouse 're-opened' for business!

Many thanks to John Brady and Minister Mary Mitchell O'Connor for helping us with the formal ribbon cutting ceremony. And also to Carrie Smith, Jim Gildea and Denis O'Callaghan for their support throughout the rebuild process. Our sincere thanks to the community of Shankill, and surrounding areas, for helping us get back to normality with a modern facility that will serve our kids well into the future.

In partnership with Shankill Community First Responders' group, Shankill FC is hosting a Public Access External Defibrillator (AED) on the wall of our clubhouse, beside our AstroTurf facility. We're delighted to host this life-saving equipment to service the whole community who enjoy Shanganagh Park

Well done to our U13 girls who played at half time during the Shamrock Rovers vs. UCD game on Mar 29th in Tallaght stadium. Great experience for the girls

For opportunities on all our boys & girls teams from U8 to U18 and academies, please email us at ***info@shankillfc.ie*** or visit our website at ***www.shankillfc.ie***

PEOPLE BEFORE PROFIT

Vote #1 Danielle O'Rourke

My name is Danielle O'Rourke. I'm a local woman and I'm asking for your number 1 vote on May 24th. I am a fierce campaigner for social and affordable housing, for access to supports for disabled people, and for taking action on climate change.

083 127 0339
danielle.orourke@pbp.ie

Danielle's contract with you

If elected, I will:

- Vote to build public and affordable housing on public land;
- Work to abolish the property tax and replace it with a progressive wealth tax;
- Oppose a carbon tax on the people and push for real measures that can actually help tackle climate change;
- Support Dún Laoghaire Rathdown becoming an autism-friendly county;
- Support DLRCC becoming single-use plastic free;
- Never go on junkets;
- Push the council to improve local amenities, including providing more services for young and old people in our communities;
- Oppose any privatisation of our services and fight to bring back those services which have been privatised, e.g. waste disposal;
- Build campaigns of People Power to force political change, e.g. the anti-water charges movement and Repeal the 8th;
- Inform the community about the outcomes of council meetings and the votes that take place;
- Be a strong voice for women, workers and our environment.

Vote #2 Cllr Hugh Lewis

Danielle and Cllr Lewis hold an open advice clinic every Monday from 11am-12pm in Shanganagh Park House.

Rathmichael Ladybirds & Brownies

Memories from the last couple of months

We ended term with some Easter fun games that our leader "Rainbow aka Lorna" arranged. Easter Bingo ***https://www.pre-kpages.com/printable-Easter-bingo-game*** with all important mini chocolate eggs for the counters and a hilarious drawing game called Funny Bunny Faces ***http://www.housingaforest.com/funny-bunny-faces-game/*** which shows that anyone can draw no matter what skill level they are at!

The Ladybirds taking part in their Book Lovers Interest Badges. Each Ladybird chose their favorite book character and gave us a short review of the book. We have starting from the back row L-R Mrs Twit from The Twits by Roald Dahl, Isadora Moon by Harriet Muncaster, Minnie Mouse from Disney, Wizard Hermoine Grainger from Harry Potter by J.K. Rowling, The Worst Witch by Jill Murphy, Little Miss Whoops by Roger Hargreaves, Fancy Nancy and Posh Puppy Fluffy by Jane O'Connor, Paula The Vet and The Witch from Room on a Broom both by Julia Donaldson.

1st-7th April was National Good Turn week which has been in the media on the radio & featured on the television too. The idea is for all girls throughout Ladybird & Brownie levels to be helpful at home every day for a week and receive a Badge for their efforts.

24th March "Coccinella aka Roisin" volunteered in the National Brownie Day Out held in Larch Hill in Rathfarnham, Dublin 16. This is her account of her day there.

I arrived by 9am on a freezing cold but bright dry day not knowing what I was going to be doing but excited for the day. Even though I had been a Brownie in Rathfarnham, some time ago, I never visited Larch Hill so was very excited to be involved albeit as a volunteer leader. I have done some volunteering with my now local Brownie Group so I knew how much interaction was needed. When I got there I realized what a huge bonus the location is for Guiding & Scouts- lush forests, wide open spaces for activities & camping, Lodges, BBQ areas, climbing walls, playgrounds-WOW- I couldn't wait to discover what we would be doing with hundreds of girls coming from all over Ireland!!

I received my task- Bug Challenge-yikes not so easy in cold weather! I was assigned a helper, Lorna from Senior Branch in Kildare who turned out to be a brilliant team partner as she is a science lover and once briefed we were able to come up with great prompting questions for the groups. There were five sessions throughout the day each lasting 30 minutes-plenty of time for fun exploratory investigations & reporting to all at the end. The groups ranged in size from 6 to 26 girls! By the end of the day I felt we had great team spirit & had been well challenged in our task! All in all it was a fun experience and I will probably do it again next year too! Here are a few more pictures of the Brownies doing some of the other Challenges from the day.

Rathmichael Brownies

We have had a busy Spring term. We enrolled five new brownies so we have a huge pack at capacity of 25! We celebrated World Thinking Day on February 22nd, - thinking about our fellow guides and brownies around the world. In March we had a night away to the Irish Girl Guides National Memorial Cottage. 15 Brownies had great fun completing various activities over the weekend including the Powers court river walk and a scavenger hunt around Enniskerry village. We're looking forward to lots of fun in the great outdoors now that the evenings are longer and the weather is getting better.

Shankill Old Folks Daycare Centre

Verell Booth at 100 Years of Age

On April the 10th the Shankill Day Care Centre held a tea party to celebrate the 100th birthday of its founding member and first Chair, Verell Booth. It would be hard to find a person in Shankill whose name is more synonymous with community care than that of Verell who spent many decades involved in the field.

In 1971 the Eastern Health Board decided that Shankill should have an Old Folks Association (SOFA) to host a number of social events and outings for older people. Following a number of years being hosted in different venues, it was decided that SOFA merited its own purpose built building to meet its expanding needs. Dun Laoghaire Rathdown County Council and the Eastern Health Board agreed to match whatever funding could be raised for the building. After just two years of intensive canvassing for donations and many collection boxes rattled by Verell and her committee, the new SOFA centre formally opened on the 15th Sept.1979.

Under Verell's stewardship a number of initiatives were introduced, such as the Shankill Day Care Centre service whereby clients avail of three cooked meals a day, three days a week and a lively activities programme including social outings. This addresses the need to support independent living of the elderly in the community, including those with dementia, and their carers. It helps to combat loneliness and isolation by enabling friendship and camaraderie in a supportive caring environment.

As Chair of SOFA for forty years, Verell oversaw many changes and led on a number of new developments. As with those lucky enough to live to 100 years of age and still be vitally engaged with life and the world around them, there is always an interest in what makes them tick and learning about what they believe has contributed to their longevity. However Verell is quick to assert "I didn't do anything in particular, I just arrived here!" Nonetheless it becomes clear when talking to her that she deeply values her many years' involvement with her local community.

QUALITY – CONSISTENCY – INTEGRITY
"MATTERS"

MAKE SURE VOTE No. 1
DENIS O'CALLAGHAN

Again I am asking you to renew our contract by giving me your NO.1 VOTE on the 24th of May, so I can continue representing you on the Council and give you **Strong, Solid** and **Principled** representation.

Getting Things Done in Shankill:

- Shopping Centre – Opening in June.
- Working on social/affordable housing project on the Shanganagh Lands.
- Extension to Shanganagh Park House – Work in progress.
- Coastal Erosion Corbawn – Work in Progress.
- New Tennis Arena – Quinn's Rd.
- Shanganagh Park Master Plan – being prepared.
- New Allotments – Quinn's Rd.
- Resurfacing of roads Rathsallagh, Shanganagh Cliffs, Shanganagh Rd, Aubrey Park and Dublin Rd (Woodbrook) – Works in progress.
- Protected Green Belt between Shankill – Bray (County Development Plan)
- New soccer and GAA Pitches at Stonebridge.

My Priorities for the Next 5 years:

- Support the Councils plan for climate action.
- Continue to fight for social/affordable/co-operative housing across the County.
- Build a multi-use sports complex in Shanganagh Park.
- Continue to protect the Green Belt and areas of unique character.
- Improve safety in the Public Realm, especially around Shankill and Killiney DART Stations.
- Support age friendly and disability initiatives in the County.
- Fight Bus Connects disruption/destruction of Shankill.

Working with Cllrs Deirdre Kingston (General Election Candidate), Cllr Carrie Smyth

Ask a Councillor

Cllr. Denis O'Callaghan

SPEED BOARD ON FERNDALE ROAD

Question: "To ask the Chief Executive to install a speed repeater board on Ferndale Road between Alleys River Road and the triangle junction with Old Connaught Ave?"

Reply: A site inspection will be carried out on Ferndale Road to identify a suitable location for the provision of a digital speed alert sign.

MAINTENANCE OF PUBLIC RIGHT OF WAY

Question: "To ask the Chief Executive to arrange an inspection of public right of way from Crinken Lane leading to Ferndale Road, with a view to cutting back vegetation and improving local pedestrian connectivity?"

Reply: Further investigations are needed to establish the exact location of the public right of way referred to and establish issues surrounding its existing and future use, as well as its current condition. A site meeting will be arranged in the coming weeks with the councillor who asked the question, any other councillors who are interested, and affected parties who have an interest the matter.

SPEED BOARD, QUINN'S ROAD

Question: "To ask the Chief Executive to install a speed repeater board on Quinn's Road, Shankill to help reduce speeding, and to also consider other traffic calming measures?"

Reply: Quinn's Road, Shankill has a current speed limit of 50kph and speed surveys were recently carried out here over a six day period in February 2019. This survey indicated traffic volumes of the order of 2500 vehicles per day in both directions. Average speeds varied from 45 to 50kph and the 85th percentile speeds varied from 56 to 65kph. In relation to the provision of a digital speed alert sign, site inspections are taking place to establish a suitable location for one. The installation of a speed alert sign is dependent on location factors including the availability of sufficient daylight for the solar panel, no overhead trees or cables, no underground services in the vicinity and 80-100m of uninhibited sightlines.

QUINN'S ROAD, SHANKILL

Shankill & Ballybrack
Community First Responders

It has been a very busy month for Shankill & Ballybrack Community First Responders.

The most exciting news is that we have now installed a fifth Public Access Defibrillator (AED) at the clubhouse for Shankill FC in Shanganagh Park. We are extremely grateful to Shankill Football Club and to Dun Laoghaire County Council for all of their help in getting this installed.

Our members also attended the Park Run in Shanganagh Park where we held demonstrations of CPR and how to use AED, just like the one installed at the football club. It was great to see so many members of the public interested in learning life saving skills, and willing to try out CPR and use an AED on our mannequins.

The annual Respond Conference 2019, a national conference for Community First Responders, was held in Mullingar on 6th April. This was an excellent opportunity for our members to meet with other CFR groups, and to attend workshops on stress management, dealing with difficult scenarios outside, how an ECG works, and dealing with paediatrics, among many other interesting and useful workshops.

We also learned that in Ireland, we have the highest bystander rate of CPR in the world! This means that before the ambulance arrives, 4 out of 5 cardiac arrests in Ireland will have had someone use CPR.

St Marks South held a comedy night in The Graduate, Killiney on 6th April in aid of funding more public access defibrillators in the local area. The evening was a great success, with funds going towards the sixth defibrillator in the area. Many thanks to our raffle sponsors, Shades of Ballybrack, C&C Auto Repairs Dun Laoghaire, Herman's of Dundrum, without whom we could not have achieved our goals.

As always, if anyone is interested in learning more about Shankill & Ballybrack CFR or becoming a volunteer with our group, please contact ***shankillcfr@gmail.com*** or visit us on facebook ***@shankillcfr.***

Members Dev Dolan and Conal Carroll at the Shankill FC

SHANKILL TENNIS CLUB

By PRO Susan McGing

SHANKILL OPEN DAY

Have you always wanted to try tennis, or know someone who does? Then come on down to Shankill Tennis Club's Open Day! Taking place on the 26th of May, juniors and adults are welcome to pick up a racquet and try hitting a hall with other players, try out a coaching demo and check out our Visually Impaired and wheelchair facilities! We'll also have cardio tennis, table tennis in the clubhouse, and plenty of food and drink throughout the day. We hope to see you there!

WINTER LEAGUE

We are delighted to have had such a successful winter league! First up big congratulations to our men's teams, with two getting through to the playoffs, and the Shankill 2 team going on to win Class 4 Winter League! A big congrats also to our ladies' teams, with three teams getting through to the playoffs and one team getting through to the Class 5 final! We want to congratulate all winter league players, and hope to see you all for the summer league.

IN-HOUSE TOURNAMENTS

We have been holding quite a few tournaments in the club recently. This year we had a Spring Turkey Run, which was enjoyed greatly by those who took part. We would like to congratulate our winners, Dearbhla Ni Lonargain who took first place, Fiona Flemming who came second and Maggie Tinney who came third! We also ran an American Tournament on the St Patrick's Bank Holiday Monday - a beautiful Spring day with some cracking tennis, congratulations to our winners Ber O'Hara and Declan Kelly!

Ask a Councillor

Cllr. Carrie Smyth

BUS CONNECTS UP DATE
The closing date for submission on the Bus Connects Core Bus Corridor Route Number 13, Bray to City Centre has been extended to the 31st of May 2019. An observation/ submission can be made as follows:
E-mail - ***cbc@busconnects.ie,***
Post – Core Bus Corridor Project, National Transport Authority,
Dun Sceine, Harcourt Lane, Dublin 2, D02 WT20.
Web – ***www.busconnects.ie***

SMART BIN REVIEW
The Council's Cleansing Section recently completed a Smart Bin Review. The Smart Bin Review includes a new bin for the green area in front of Shanganagh Cliffs between Seafield and Killiney Beach. The Smart Bin Review including requests that were considered and decisions made is at the following link:
https://www.dlrcoco.ie/sites/default/files/atoms/files/dlr_street_bin_review_march_2019.pdf

SHANGANAGH CEMETERY
I have been made aware of an increase in thefts in Shanganagh Cemetery including recent incidents that took place in early April. I contacted both the Council and An Garda. The Council's Cemeteries Section informed me of the following:
"Dún Laoghaire-Rathdown County Council operates a CCTV system at both Shanganagh and Deans Grange Cemeteries. Where an incident has occurred, CCTV footage may be provided to An Garda Siochána once an official written request has been received from the investigating Gardaí."

LITTER MANAGEMENT AND CLEANING INITIATIVES IN THE PUBLIC REALM (EXTRACT ONLY)
Deep Cleaning and Towns
An initiative to carry out extensive cleaning and maintenance works in town centres and villages will commence in April 2019. The intention is carry out a 'deep' clean of roads, streets, public places, including such actions as weed removal, cleaning/washing of paved surfaces, clearing of drains, etc. At the same time, and in conjunction with the cleaning activities, Dun Laoghaire Rathdown (DLR) will carry out any necessary repairs, such as repairs to surfacing, paving, bollards, etc. This will involve Cleansing and Road Maintenance crews working together at each location to complete works. The intention is to provide advance notice of approximately 1 to 2 weeks that the works will be taking place in the particular village or town centre and this will be done through the Council's social media channels, the Public Participation Network (PPN) and via DLR newsletters. Where possible, DLR will link up with local Tidy District Committees and businesses to coordinate cleaning and maintenance activities. The commencement of the initiative is timely in that it ties in with the annual Spring Clean initiative and the period before the judging for the national Tidy Towns competition. The initiative will be piloted in 2 villages in each of the electoral areas within the county. The works at these 4 pilot locations (includes Shankill and Ballybrack) will be completed during the months of April and May this year.

School News in scan

Rathmichael National School

We held a Green day for habitat for Humanity. This was held in conjunction with St Patrick's Day and all the children were allowed to leave their uniform at home and wear green instead for the day. We have two past pupils heading to Africa to work for this charity.

Our Seachtain na Gaeltacht went well incorporating a Ceolchoirm or concert and Tráth na gCeist or quiz. We also held an Assembly as Gaeilge by 6th Class. They told the story of the Gruffallo in Irish. This was a fun week for everyone.

Alan Nolan, an author came to visit the school. He spoke to 3rd-6th Classes. He was excellent and humorous with his stories and showed them how to draw some of his characters. They were all given paper to try using a step by step approach. I think they surprised themselves at their own achievements.

Our boys' hockey team got into the finals of their league. This was also a great achievement. Unfortunately, they did not win but their excellent sportsmanship, good behaviour and excellent play was noted. 5th and 6th classes got a bus over to Three Rock to support them.

Friendship Week was held in April. We tend to buddy up a senior class with a younger class to have activities and learn from each other. The classes really look forward to these events. Young and old learning from each other. Always a good thing!

1st class held Spring Show. Their parents cane to see them. This was fun and led by our music teacher, Naomi Clarkson and their teacher Alison Gallagher. It was so lovely to hear them sing and perform.

BusConnects Core Bus Corridor Project

Draft Summary Submission

Shankill Tidy Towns welcome the overall concept of the BusConnects Project and its objective of upgrading bus services in the greater Dublin region. However, we are extremely concerned at the probable impact of the proposals for Core Bus Corridor 13 on Shankill Village and its principal approach roads.

Shankill Village is the heart of an established community. The proposed corridor will negatively impact access to and enjoyment of the village. Parking, already limited, will be further restricted and delivery access to businesses will be extremely difficult.

On the approach roads, and in the village itself, there will be major loss of mature trees, destroying the much-valued sylvan aspect of the district.

Other major concerns include the proposed restrictions in access to Corbawn Lane and the new Lidl shopping centre; the proliferation of signalised junctions; the removal of roundabouts and substantial land take at St Anne's Church; signalisation of the Quinn's Road /Cherrington junction and the proposed cycle route.

Clear evidence of the need for a bus corridor in Shankill should be provided and consideration given to terminating Corridor 13 at Loughlinstown Roundabout, with appropriate limited improvements in Shankill, such as recessed bus stops at suitable locations.

If an extended corridor is deemed essential, Shankill Tidy Towns suggest that social and environmental disruption be included in the criteria for evaluation of route options. In this context, **BusConnects Option 2A**, a full by-pass of Shankill beside the M11, or a similar alternative, should be selected. This route overlaps with that reserved for a future LUAS extension, emphasing the need to preserve alternative transport corridors.

Option 2A, with a local shuttle bus, allows Shankill Village to evolve as the heart of the community and preserves the fine aspects along the approach roads.

BusConnects: 2B or not 2B

School News in scan

A Tasty Tour!

By Sam Verso, 2nd Class

Second class went to Butler's Chocolate factory on our school tour. It was lots of fun. Everyone got to sample free chocolate. We decorated chocolate elephants with melted white chocolate and we also saw how the hollow chocolate was made. We went to the chocolate museum and looked at all the things that they used to do long ago. We got a tour of the factory and went to a cinema room. The movie showed us how chocolate is made. We went there because we were learning about chocolate and also because we are reading 'Charlie and the Chocolate Factory'.

The National Children's Choir

All in St Anne's are very proud of our Fifth class choir who are members of the 9,250 strong National Children's choir. They performed in the Dublin Regional Concert in The National Basketball Arena in Tallaght on March 27th in front of an audience of over 1,300 people. They entertained the audience with a varied repertoire of songs from Bach to Bowie, and a lot in between, singing in Irish, Latin and Swahili in addition to English and accompanied by a full orchestra. It was a wonderful evening. Congratulations on your outstanding achievement rang a cúig!

Confirmation

By Hazel and Lauren, 6th Class

Sixth class have just taken a big step into the next chapter in their lives. On April 6th our two sixth classes made their confirmation in the parish of St Anne. On the day, the whole church was buzzing with excitement. We had been preparing for a long time for this special day. Parents chatted happily outside, while the children waited eagerly and in some cases, nervously in the resource centre. The mass was very enjoyable for all ages. We had spent the previous week decorating the hall and the hard work paid off as it looked beautiful on the day. Father John confirmed us, which was lovely as he knows us so well. We are looking forward to the rest of our lives with The Holy Spirit guiding us.

An Inspiring Class Visit

Senior Infants were lucky enough to have a visit from author Don Briggs and illustrator Naomi Peppard. They created the fabulous book 'The Return of The Dragon'. The book is being sold to raise money for the Temple Street Children's Hospital foundation. Don read the story to us and then we gathered around as Naomi brought one of her dragon illustrations to life using water colours. When they left we tried our hand at our very own dragon illustrations!

Outdoor Learning

Did you know the St. Anne's school pond is home to hundreds of protected species of amphibian? They are called Smooth Newts and we love to spot them in our pond. Recently one of our parents, Tanya came to show an eager group of children how to make a wormery. We layered up different types of soil and sand and were sure to keep it damp. After a few days we could see the tunnels that the worms had created. We then put the worms back into our school garden so they could continue their important job! Tanya has also been busy helping a group of children to plant and look after some vegetables and salad including potatoes, garlic, broccoli, onions and peas! The school garden is a wonderful learning resource that we are lucky to have.

Local History Society Lectures

Bray Cualann Historical Society
Mark Murphy and Brian White will recall ***'The Traders of Castle Street & Dublin Road, Bray'*** at 8 p.m. on Thursday May 16th in the Royal Hotel, Main Street, Bray, Co. Wicklow. All welcome - admission €5.

Publications

'An Cosantoir - March 2019 - Special War of Independence issue', Editor Sgt. Wayne Fitzgerald, published by the Irish Defence Forces.

At intervals issues of this excellent Irish monthly military history magazine are devoted to a specific theme/topic and this issue is devoted to the War of Independence with a series of excellent articles covering this conflict very clearly and precisely without any of the key details missing. John McGuigan looks at ***'The British Army at War in Ireland'***; Gerald Shannon in ***'The War of Independence is progressing favourably for the Irish Republican Army'*** covers Richard Mulcahy and IRA GHQ, 1919-21'; Michael Barry in ***'Weapons of the War of Independence'*** provides an overview of the weapons used by all sides and in ***'Armoured Cars in the War of Independence'*** discusses some of the vehicles used; Joseph E. A. Connell Jr in ***'Michael Collins: Shaping a Revolution'*** looks the role and contribution by Michael Collins during this conflict; while the activities and fate of informers is recalled by Pádraig Óg Ó Ruairc in ***'Spies and informers beware!'***

'Masters of Chaos: British Special Forces' is covered by Paul O'Brien while the first member of Cumann na mBan to die in the War of Independence is recalled by Mícheál Ó Doibhlín in ***'Josie McGowan - A Willing Heart'*** with the role of Dublin Fire Brigade is covered by Las Fallon in ***'Forgotten Allies: The Dublin Fire Brigade 1919-1921'. 'Cumann na Man Regalia: Uniforms, Badges & Flags, 1914-1923'*** are covered by Ailbhe Rogers while Paul Gosling looks at the ***'The Role of the RAF in Ireland, 1918'*** and CPO/ERA Ruairi De Barra ***'The War of Independence: On Sea and on Land'.*** Liz Gillis recalls ***'The Burning of the Custom House'*** while Capt. Daniel Ayiotis,OIC Military Archives, in ***'The Military Archives and the War of Independence'*** provides an overview of some of its collections and what they contain, concluding with three articles by Sgt. Wayne Fitzgerald looking at ***'Wexford's Military Past and Present, 'The 1919 All-Ireland Football Final'*** and ***'A Few Good Reads on the Irish War of Independence'*** which cites various books which can be obtained from booksellers or borrowed from public libraries.

At only €3 this is an excellent publication which is an essential addition to any War of Independence collection of books and magazines - copies can be ordered through newsagents or via ***subs@military.ie.***

"One Book, One Community Presentations"

The Sixth Class children from Scoil Mhuire and seven other primary schools, as well as 1st years from 3 local secondary schools, read the graphic novel, "Sheets". Each school made a presentation based on the novel. Some teams produced storyboards, some made models and others acted out scenes from the story. These were all displayed at an exhibition in Scoil Mhuire. Parents and fellow classmates of the teams were invited to view the presentations. Pictured in the photos above are visitors to the event and the Scoil Mhuire team proudly displaying their work.

A Musical Interlude...

Music Generation arranged for a string quartet to come and play to the children in the 3rd and 4th classes. They also talked about the way music is put together and about their instruments. The children, especially those in the third classes, who are currently studying Violin, thanks to Music Generation, got a lot out of the visit. It's clear they have already learned a great deal from their lessons. Pictured in the photo above are the four musicians playing and talking to the 3rd classes.

Easons' Spelling Bee

Each year Scoil Mhuire sends a contestant to the Easons' Spelling Bee Dublin County Final. A series of knock-out spelling competitions is held in the 5th and 6th classes and the overall winner of these is chosen to represent the school. Pictured above is this year's representative, with his mother, sister and teacher, Ms. McDonagh. He did extremely well in the competition and came sixth out of seventy-six in the Dublin County Finals.

Walk and Talk for Wellbeing

The Connect Crew organised a whole school walk around Shankill. As the children walked in the sunshine, they chatted to one another. They were encouraged to walk with and talk to people other than their usual friends. It was a relaxing enjoyable outing.

Scoil Mhuire's Green School Biodiversity Action Day

Our Green School's Committee recently held an Action Day to teach their fellow pupils about biodiversity. They set up stands to show how to recycle properly, how long it takes for items to biodegrade and how to make fat balls for our birds. We planted vegetable and flower seeds for our new school garden. We will transplant the seedlings later in the Spring. Pictured above are our Green Schools Exhibition and the children planting seeds.

Parents Visit to Kilmainham Gaol...

During the school year the parents make occasional visits to places of historical and cultural interest. So far this year, we have visited Number 14 Henrietta Street, Marsh's Library, St. Patrick's Cathedral and Kilmainham Gaol. Pictured above are some of the parents on completion of the tour of Kilmainham Gaol.

Rathmichael School

We held a Green day for Habitat for Humanity. This was held in conjunction with St Patrick's Day and all the children were allowed to leave their uniform at home and wear green instead for the day. We have two past pupils heading to Africa to work for this charity.

Our Seachtain na Gaeltacht went well incorporating a Ceolchoirm or concert and Tráth na gCeist or quiz. We also held an Assembly as Gaeilge by 6th Class. They told the story of the Gruffallo in Irish. This was a fun week for everyone.

Alan Nolan, an author came to visit the school. He spoke to 3rd-6th Classes. He was excellent and humorous with his stories and showed them how to draw some of his characters. They were all given paper to try using a step by step approach. I think they surprised themselves at their own achievements.

Our boys' hockey team got into the finals of their league. This was also a great achievement. Unfortunately, they did not win but their excellent sportsmanship, good behaviour and excellent play was noted. 5th and 6th classes got a bus over to Three Rock to support them.

Friendship Week was held in April. We tend to buddy up a senior class with a younger class to have activities and learn from each other. The classes really look forward to these events. Young and old learning from each other.

Always a good thing!

1st class held a Spring Show. Their parents came to see them. This was fun and led by our music teacher, Naomi Clarkson and their teacher Alison Gallagher. It was so lovely to hear them sing and perform.

Bus Connects Community Forum Meeting

Monday, 8 April 2019 in Talbot Hotel, Stillorgan

A representative of the SCAN newsletter attended the above meeting as an observer, listening to the views put forward and taking notes. No views were expressed on behalf of SCAN.

- The Deputy CEO of the National Transport Authority (NTA), Hugh Creegan attended.
- 2 other NTA representatives involved in planning and operations also attended.
- There was an independent Chairperson.
- Predicted population increase for Dublin region is 25% by 2040.
- Congestion is a major problem now and in the future.
- 67% of all public transport journeys across Dublin each day are made by bus.
- Community representatives from Shankill objected to plans to provide an alternative route for cyclists and pedestrians away from the busy village via Lower Road.
- Some Community representatives, including Shankill Tidy Towns, suggested that a previous version of the Bus Connects plan could be implemented.
- It would divert buses away from Shankill altogether on to the M11 with bus access at Loughlinstown Hospital via shuttle buses. The 45A bus service would not be affected.
- The Deputy CEO pointed out that the proposal to divert buses away from the village would not serve the people of Shankill adequately.
- He also reiterated that the proposed alternative route for cyclists would not be a dedicated cycle lane.
- He acknowledged the difficulties posed by the plan as it affects Shankill and said that difficult decisions would have to be made to implement the proposed route from City centre to Bray.
- Community representatives objected strongly to the closure of the road at the top of Corbawn Lane and changes to the roundabout.
- Community representatives, including Diarmuid McAree, Director of Crann, objected strongly to plans to fell a number of trees along the route from Loughlinstown Roundabout through Shankill towards Bray.
- John Brady representing Shankill Traders outlined the difficulties to trade and deliveries including the proposed removal of some parking spaces in the village. He suggested that enhanced bus stops with larger recesses for buses to pull in might be an alternative to road widening.
- A community representative objected to the removal of the roundabout at Quinn's Road.
- Councillor Jim Gildea queried the need for the BusConnects plan to go ahead now before decisions are made by Transport Infrastructure Ireland (TII) on changes to the N11/M11 with the possibility of a three lane highway or other alterations. He asked if the option to take buses away from Shankill would rule out any future Luas extension to the area. He asked for more consideration of the bus recess proposal.
- An NTA representative acknowledged the difficulties for traders in Shankill. He justified the change to a signalised junction at Quinn's Road on safety grounds as well as bus priority. A cyclist previously lost their life in an accident at Quinn's Road roundabout.
- Deputy CEO asked for new ideas for cycling routes in and around Shankill. He said TII and the NTA are working together on the issues raised by Councillor Gildea and other initiatives. He confirmed that diverting buses away from Shankill would not rule out a Luas extension.
- He also suggested that a small committee of 8 or 9 people could meet with the NTA for further discussions on issues about Bus Connects outside the Community Forum.
- It was not made clear who would be on this committee or the selection process.

The above meeting was the first in a series intended to facilitate a two way dialogue between community representatives and the NTA.

HAVE YOUR SAY. MAKE A SUBMISSION TO THE NTA BEFORE FRIDAY, 31 MAY.
